

DRAW A KINGDOM VISION!

Calling on all children
(& adults wanting to channel their inner child)
to draw or paint or sketch or collage or multi media
a vision of the Kingdom.

You can draw ANYTHING you like.

Email me your image as a photo or PDF & we will make sure your artwork appears in our Kingdom booklet.

If you would like you could put your first name and age on your picture but you don't have to.
And make sure you tell your friends so they draw one too!
